ACT Program Announcements

Review & Reflection Rounds – Open to All!

Please join us on August 29, noon-1pm in the WCC 2nd floor conference room (2.0727)!

Lunch will be served, all you need to bring is your experiences, thoughts, questions, and...if so inclined...a story to share about challenges/successes employing ACT skills in the real world

ACT Course Updates

Thank you to our friends and colleagues for making this year a resounding success! We are so fortunate to have had ACT course participants from Heme/Onc, Palliative Care, Liver Transplant, Renal Transplant, Advanced Heart Failure, and Emergency Medicine! A truly amazing group of dedicated clinicians!

We look forward to welcoming our hospital medicine colleagues next year...and fellows from four programs...!

Remember you can visit us online and follow us on Twitter!
